GRADUATE TRAINEE PROGRAM

DATE: 16th July 2024

We are proud to introduce the “**Graduate Trainee Program**”. The program is a rich profession and career development opportunity for committed graduates that aim to make a positive impact in the brewing industry. The program provides more than a job with enriched skills that would place you to a journey that would grow your skills, develop your carrier, and unlock your potential.

ROLE SUMMARY

We believe in learning by doing. Our Graduate trainee program are crafted to fast-track the careers of future leaders and change makers, allowing recent graduates to develop and get exposure to sales and marketing of fast moving products specifically alcoholic beverages. We value curious and ambitious people who are open and willing to embrace opportunities in different locations across our company.
